

STAR Of Destiny

STAR of Destiny - Wouldn't you like to take a deep dive into your inner working, understand your personality, thinking process, or simply put, your personal modus operandi? The STARS represent the movement of the heavenly bodies and their impact on earth and man. There is nothing religious about this study, and it can be considered a handy tool to leverage your highest potential to better your career and personal relationships.

To familiarise yourself with your personal STAR of Destiny, **all you need is your date and time of birth.**

Plot your **Qi men dun Jia** chart with your date and time of birth using the free resource provided below -
